

VELODYNE TOTE MIXER

Neat Emulsion Polymer Mixer

Simply the best polymer tote mixer on the market

VeloDyne's tote mixer is the result of over thirty years' experience in the polymer equipment industry. Unlike conventional tote mixers, the VeloDyne tote mixer:

- Produces the proper mixing energy for viscous emulsion polymer utilizing:
 - Four-bladed, 14" collapsible pitched-blade impeller
 - Stabilizer propeller
 - Mixer drive designed for the ideal impeller speed
- Light-weight mixer bridge
- Ergonomically designed handles and fork-lifting points for safe, easy handling
- Toolless lockable mounting clasps for stable & secure mounting
- Robust 1" diameter shaft
- Optional Timer
